" ICOSAMERON "Casanova

A l'occasion des manifestations de l'été 2010 organisées par le FRAC de Languedoc-Rousillon, "Casanova for Ever", Jean-Claude Hauc a proposé une journée de lectures, à Montpellier, en septembre 2010. La fiction inédite de Gérard-Georges Lemaire, "Nouvelles du Protocosme", a été présentée avec un film de Denise et Claude Jeanmart, réalisé spécifiquement pour cette œuvre. A la suite de ce film, Les dessins ci-dessous en sont les premières esquisses préparant à la mise au point des costumes et de la mise en scène.

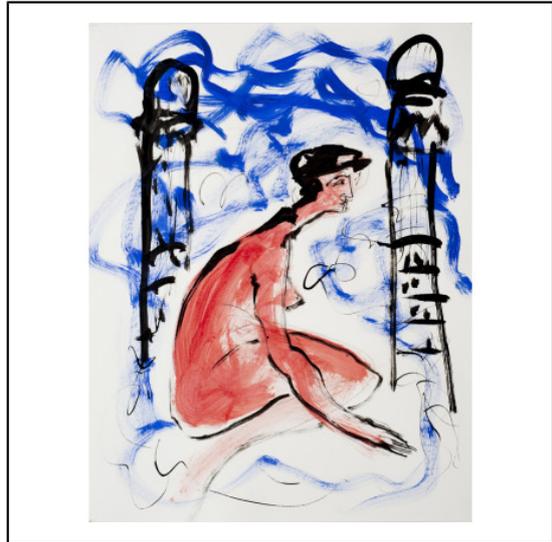

ils sont au format raisin (65 x 50)
